

Systemization of Differentially Private Algorithms

Jenni Reuben
Karlstad University

Boel Nelson
Chalmers University
of Technology

Motivation

Which techniques can be used to improve the accuracy/privacy of differentially private analyses?

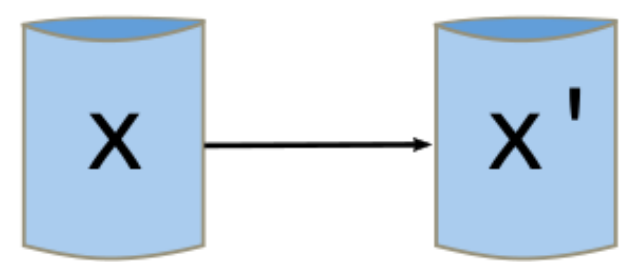

Query

Microsoft Academic

Query 1) **Papers** about **differential privacy** and **histograms**

Query 2) **Papers** about **differential privacy** and **synthetic data**

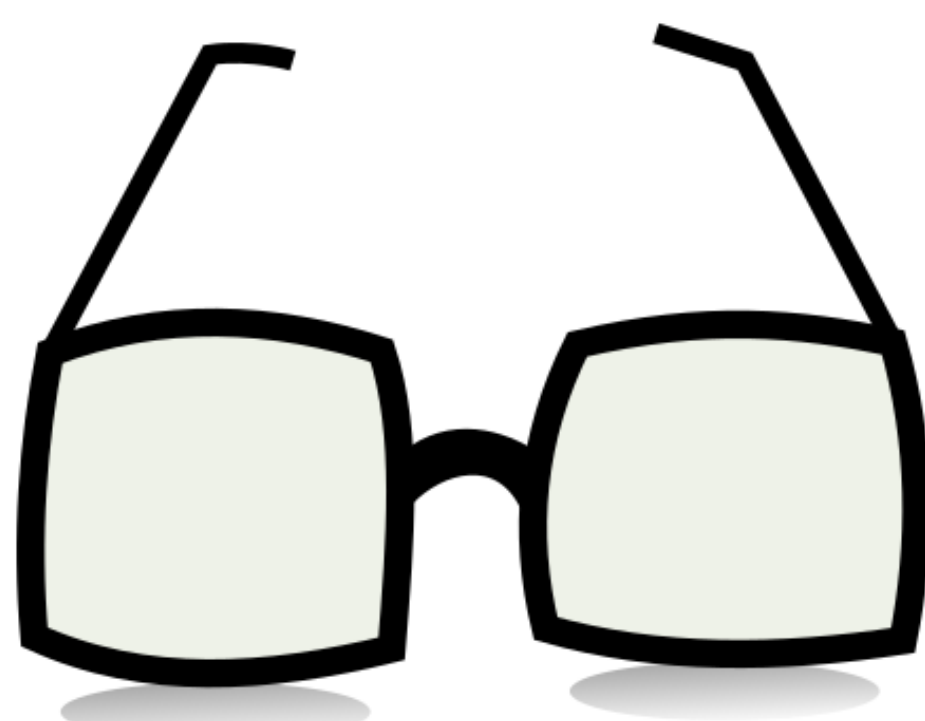

Systematic Literature Review (SLR)

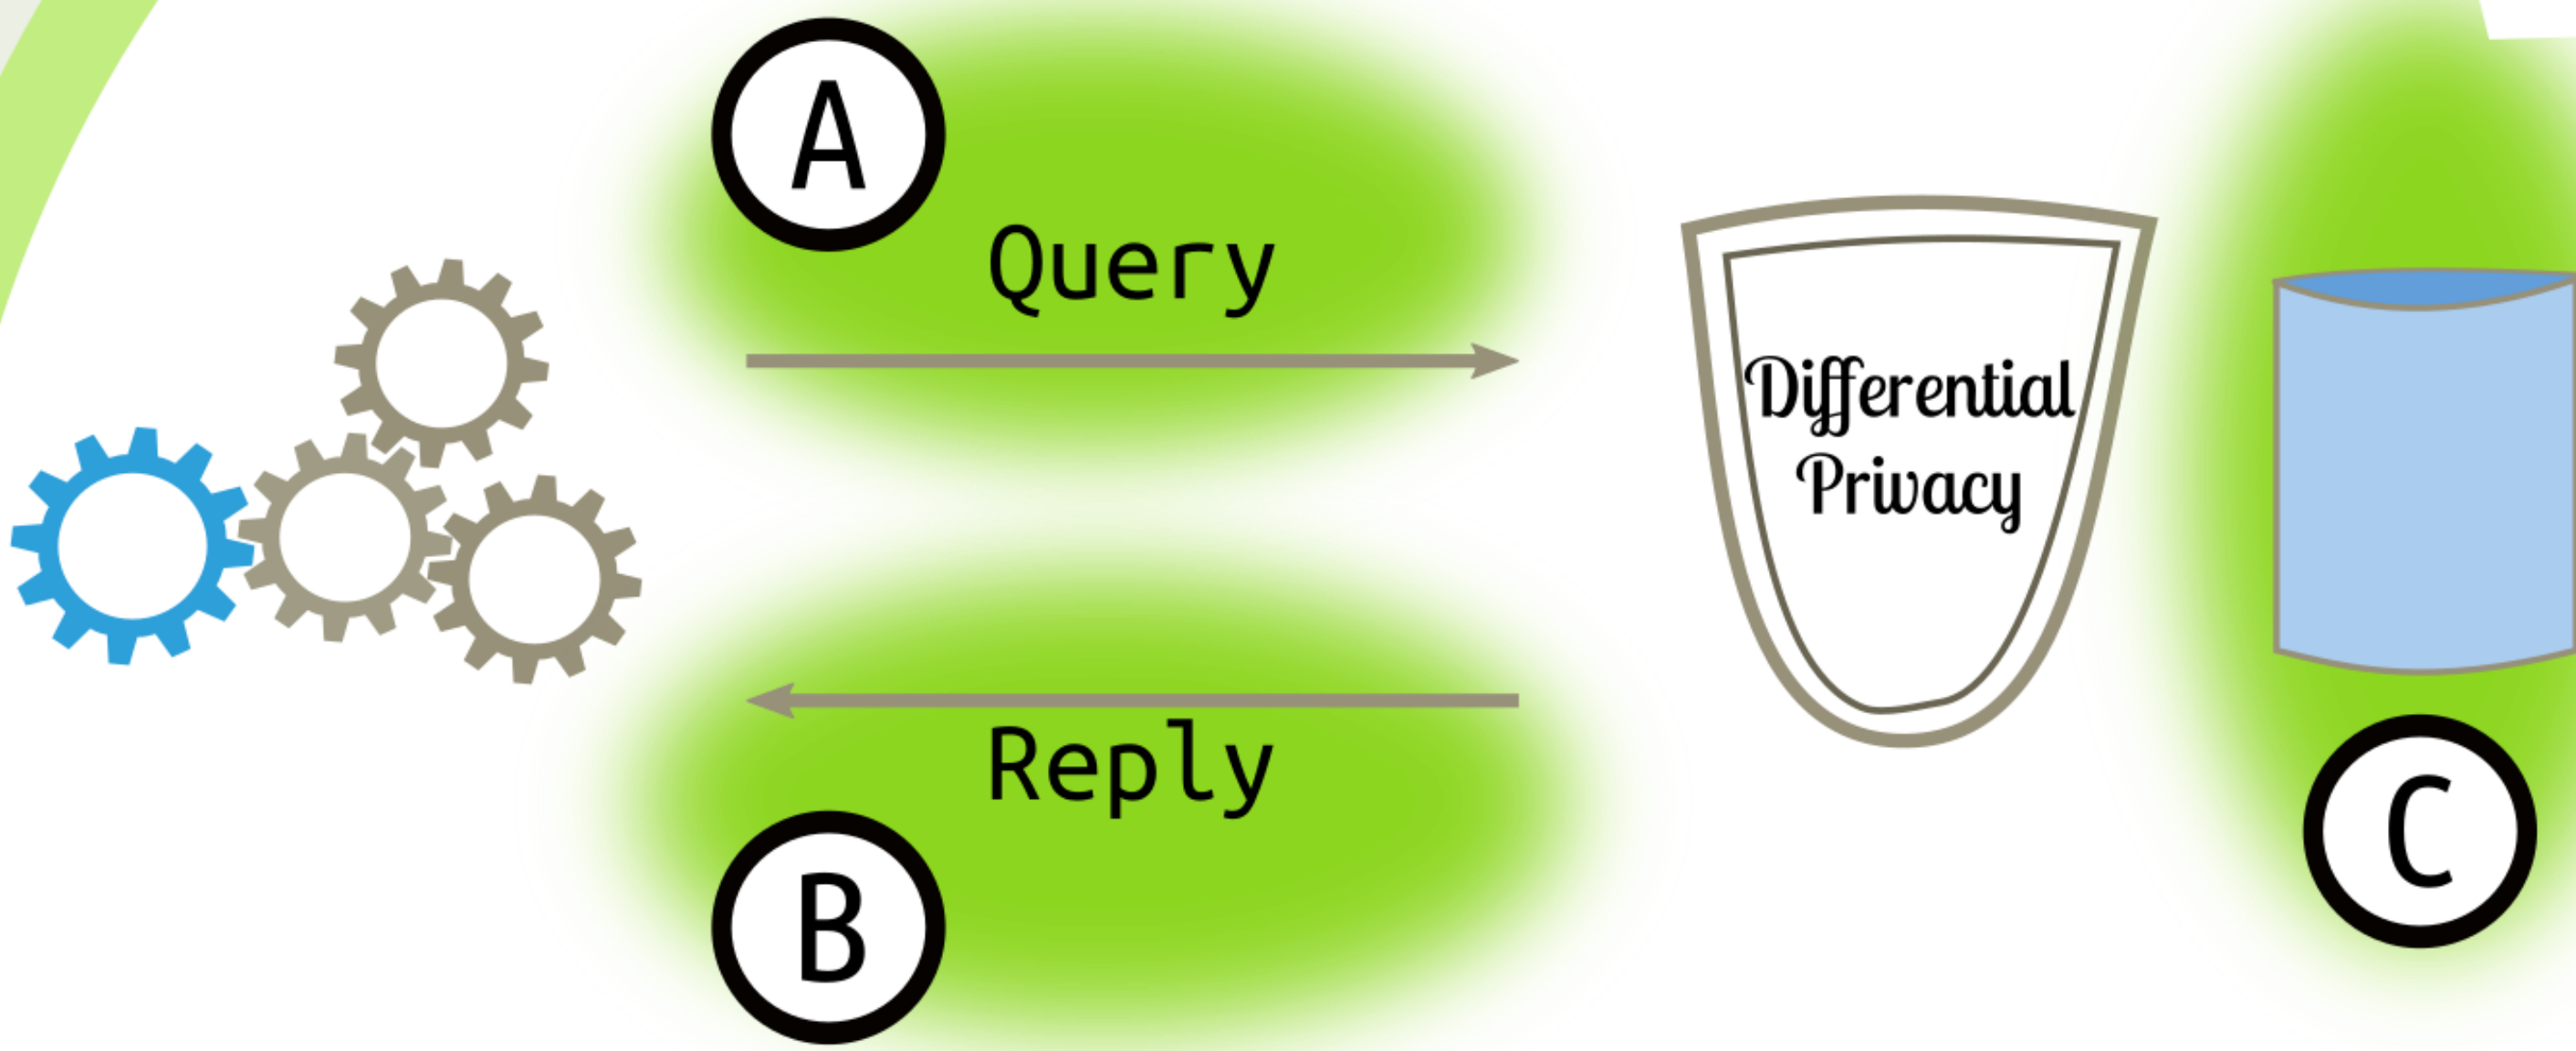

Exclusion

Analysis

Categorization

- A** Massaging the query
- B** Post-processing
- C** Pre-processing
